HOW WE ACCOMPLISH OUR GOALS

A.B.A.T.E. of South Dakota is organized into local chapters that have been created by motorcyclists, like yourself, to promote a positive image of motorcycling. This is accomplished through local, civil, charitable and benevolent causes, pooling of resources for the common benefit of members and promoting awareness.

A.B.A.T.E. is in Pierre to monitor legislation and testify on your behalf during Senate and House hearings.

A.B.A.T.E collects, processes and exchanges information that may concern you or substantiate your views. This information is placed in your hands through a monthly newsletter.

A.B.A.T.E. is an organization designed for all riders. You pay a yearly membership fee and get as much out of the organization as you put into it.

A.B.A.T.E. chapters provide the means for independent riders to come together for a common cause, to exchange ideas and have fun with other area motorcyclists. Chapters and chapter members provide the support needed to meet organizational goals.
