Contact Hours

Ten contact hours for operator certification will be given for complete attendance at this seminar. Attendance is taken at each session. You must supply your DENR assigned Operator Number at time of registration.

About SDWWA

The South Dakota Water and Wastewater Association (SDWWA) was established in 1935 in Aberdeen SD. SDWWA is an operators' organization serving the professional needs of water and wastewater oriented personnel. The purpose of SDWWA is to advance the knowledge of the design, construction, operation, and management of water and wastewater facilities.
